Log In Instructions

Read below for instructions on how to log in to TCASE's virtual learning platform.

What is Brightspace?

Brightspace is the online learning platform for Interactive 2020.

How do I log in?

Visit http://tcase.brightspace.com and enter the email address you used for your conference registration and click on the Forgot Password link.

IMPORTANT: Ask your IT department to allow all emails from the tcase.org domain to ensure you receive the details you need to participate in the virtual event.

Platform FAQs, cont.

Access the days events by clicking on each day. Each session listing will include the description, handouts, Zoom link and more.

Which browser should I use to access Brightspace?
We recommend using Firefox or Google Chrome.
